

Kia ora koutou,

My how time flies when you're having fun! Next week is our last week of lessons for Term 1.

The workshops scheduled on 28 March has been moved to Term 3 on 12 September – we will feature all the courses on 12 September for a massive workshop. It will be a lot of fun, so stay tuned for more details coming soon 😊

**A few friendly reminders about end of term:**

- If you have not purchased your required resources, please do so as soon as you're able. A list of required resources can be found on the [parent info page](#).
- If you have not paid your programme fees, please get in touch immediately. Thank you for your help with this.
- Term 2 starts on 9 May. Yes we're sorry this is such a long break – our calendar changes slightly each year according to the school calendar and when public holidays and school holidays fall. Please be sure to speak with your tutor about what to practice over the break or get in touch as I'd be happy to help.
- Our Mid-Year Concert is at the end of Term 2 on 27 June and we're looking forward to seeing all our students' progress then. Please get in touch with your tutor or me if you have any questions.
- If you are registered for a course at the beginning or end of the day, we encourage you to help your tutor set-up or tear down the room if you are able. Please ask your tutor if they need help setting up or putting away chairs and stands in the morning/at the end of the day - thank you for helping to ensure our spaces are left in better condition than we found them!

Thank you all for a wonderful start to the year. We hope you enjoy your last lesson on 21 March and look forward to seeing you for Term 2!

Ngā manaakitanga,  
Elyse
